

Holy Family Catholic School

Mission Statement

Trying to make the world a better place through creating a learning environment based on Gospel values, where every child and adult become better people.

Diversity Statement

At Holy Family Catholic School, we aim to recognise diversity within the community that we serve by promoting equality and tackling any form of discrimination. We strive to make the world a better place by recognising and celebrating the uniqueness in each person, and to remove barriers to enable children and adults to achieve their full potential. In our endeavour to achieve this, we will:

- Prepare children for life in a culturally diverse society, where children are confident in understanding their role and responsibilities in the wider world.
- Ensure our curriculum reflects the diversity of our school and local community.
- Ensure all school policies and practices explicitly reflect our diverse community.
- Encourage candidates from diverse backgrounds to apply to work at HFCS, and to encourage BAME staff to further develop their leadership skills.
- Welcome and value contributions and ideas from families, including any ideas, questions or comments which will enable our school to further promote equality in all areas of school life.
