

## SLOUGH MUSIC SERVICE

### Slough Music Service Opportunities

Slough Music Service is provided by Slough Borough Council, supported by Beechwood School and funded by central government. This means they are subject to rigorous service and safety standards, receive funding to help keep lesson fees as low as possible, and are accountable to government for the quality of services.

Their teachers are all qualified musicians and have been recruited by musicians and teachers under the 'safer recruitment' guidelines which is now a national regulation for all local authority teachers.

Slough Music Service offer a wide range of opportunities for primary aged children, both within school and outside. Please see below for an example of what they offer:

### In-School Music Lessons

Slough Music Service offer a range of instrumental lessons in schools, in a number of instruments, including violin, guitar and piano. They offer lessons from year 2 upwards in school. Some instruments are only suitable for older pupils due to the instrument's size, weight and the effect on the development of the teeth.

### Outside School Choirs, Groups and Bands

There are plenty of singing opportunities also available, delivered directly by Slough Music Service or our hub partners specialising in singing and choirs.

The music centre is open to students who live or go to school in Slough, aged between 6 and 19, and who are already having lessons on their instrument, or want to sing in the choir.

At the music centre there are composition and interactive workshops for pupils from beginner level who sing or play almost any instrument.

The Slough Youth Orchestra is for more advanced orchestral players. The Slough Training Orchestra is available to all.
